About me

***Front-End Developer** with ~3.5 years of experience building scalable web applications and complex SaaS platforms. Proficient in **React.js**, **Vue.js**, and modern frameworks like **Next.js**. Recently graduated with a Bachelor's degree in Computer Engineering from Azad University, Ahvaz. Proven track record at **IranHosting24** (developing a white-label cloud hosting panel with real-time billing), **TikTime** (booking systems using Vue.js), and **Etokco**. Passionate about clean code, user experience, and solving complex technical challenges.*
